**Back-cast Worksheet**

1. Choose your goal, end-point, or achievement. Write it into the box on the top right of the timeline on the reverse or next page.

2. Place yourself in that future. Talk with your team about the conditions that exist. What happened to get you here? Earlier?

4. Make sure you list at least 10 events, necessary steps, resources, alliances, milestones here. Once completed, you'll transfer these to the timeline.

3. Write down events, necessities, accomplishments, that will have to have been achieved in order to get to the goal as they come up. Please use the list at right.

You will find boxes to transfer these entries to on the timeline. Choose where you think they belong time-wise.
